

Ellsworth Bicycle Pedestrian Committee
July 11, 2007
Minutes

Attending: Jim Fisher, Candy Gammelin, Cathy Kozaryn, Jef Fitzgerald, Heather Albert-Knopp, Jane Freeman, Helena Peterson

Comments on Plan:

- Jane: on page 60, there is a great quote about school children – move that further up in the document, perhaps under social and health benefits
- Jef: in executive summary, add Rizzo diagram with shared-use trail
- Cathy: corrections to listing of committee members – make sure both versions align (cover version with one in text)
- Heather: some names are mis-spelled
- Candy: add pizzazz to the executive summary
- Helena: Add Ellsworth Community Health Plan to the list of plans with which we are coordinating
- Jef: Add mention of how the plan will be accessible on the internet for people to review and provide feedback, a true “living document” (pg 8-9)
- Helena will write a paragraph about the Ellsworth Health Plan to insert
- Jef will write a paragraph about the Parking Plan to insert
- Add photographs with crossing issues around town

Next Steps

- Presentation for City Council
- Public Presentation
- Display at Maine Grind: big map, copy of plan for review, and opportunity for people to give feedback
- Get copy of revised plan out to all committee members
